

# Improvising a Collaboration Technology to Meet the Needs of a SME

**Student:** Shane Delaney BEng(Hons)

**Module:** Computer Mediated Construction

**Lecturer:** Dr Matevs Dolenc

# Problem Description:

The construction team works through lots of documents.

Regularly share information with clients.

Email and text is not sustainable.

Don't want to employ IT people

# What is Slack?

- New kind of messaging for teams
- Bringing all communication to one simple place
- Team conversations organised into channels
- Public channels are open
- Drag and drop files into channel
- Get notifications and communicate from anywhere
